Mr Brian Martin  
IAS

Dear Brian,

Thank you for the great work of the Executive Leadership Development Program your team delivered in July 2005. The Program helped my team and me tremendously. Your high level of expertise in the area of leadership development is clear, yet even more impressive is your ability to adapt your styles so readily to the working climate of our organisation in China. This result is beyond our imagination and certainly helps the leaders of CHH-PTP to bring out the energy and talents within us. At the same time, you facilitated us realigning our vision and strategies and enabled us establishing a strong teamwork in CHH-PTP within a very short period of time. As you can see in our feedback to you at the end of the course, we are very satisfied with the quality and service of you and your team.

Yours truly,

Aaron P. White
